

Aurora District Camporee

Mountain Man Challenges

Knife Throwing

Tomahawk Throwing

BB Guns

Sling Shots

Mountain Man Challenge Rules

All Scouts **MUST** pay close attention to and **FOLLOW** all safety instructions or you will not be allowed to participate in the Mountain Man Challenges.

Everyone in your Patrol must participate.

The station manager has the right to refuse service if your Patrol is not following any of the rules and is not courteous and following instructions properly.

Knife Throwing

Come test your marksmanship skills at the knife throwing competition with our new heavyweight, carbon steel throwing knives. They are 13 ½ inches long and weigh 1 pound! They have a robust point that drives deep into our targets and are designed like a classic thrower from the 1950's.

Tomahawk Throwing

Come by and test your marksmanship at the tomahawk range.

BB Guns

Come test your aim at the BB Gun Range.

Sling Shots

Come on by to try out your Sling Shot skills.

Other Mountain Man activities may include Patrol Flag & Patrol Yell judging, fire building, games, demonstrations or free time, to be determined annually.

Please follow your rotation cards that reflect stations and start times.

Thank you!
